

Agreement to publish your talk by ISSS

Event name:
Location:
Date of event:

Dear Speaker

In order for Information Security Society Switzerland (ISSS) to give their members and other people interested in your talk access to it, we ask your permission to publish your talk including presentation material online for free by ISSS and at no cost to you. You keep the copyright and grant ISSS a free license to use the presentation material according to the Creative Commons License CC BY (use by crediting the original author). If you prefer different licensing terms, please contact ISSS in writing in advance of the event.

You hereby grant ISSS the right to publish your talk as follows (please tick “Yes” or “No” on each line):

Publication of the slides as PDF file:

- Yes [] No []: on the public ISSS website in the Internet
- Yes [] No []: in the access protected online ISSS Member Area
- Yes [] No []: direct distribution to the talk participants

Publikation des Videos inkl. Ton zum Referat (sofern gefilmt wird):

- Yes [] No []: on the public ISSS video website ISSSview (on Youtube)
- Yes [] No []: in the access protected online ISSS Member Area
- Yes [] No []: direct distribution to the talk participants

Furthermore, by signing this form you confirm that you are the copyright holder of the talk including presentation material of that you have the publication permission rights. You accept that ISSS cannot be held responsible for possible copyright infringements in your material. Any legal consequences as an effect of the online publication of your material will be redirected to you.

Please return this **document after signing** as scan by email (or by postal mail to: ISSS, Wasserwerksgasse 37, 3000 Bern 13, Schweiz). Please also send us your slides for publication at your earliest convenience (as PDF or PowerPoint file) by email to sekretariat@iss.ch.
